

PUBLIC MEETINGS

To discuss the redevelopment of Wimbledon Park Hall

Location & time: St Austin's Hall, Church of Christ the King in the Crescent, off Arthur Road at 8.00pm (both days)

Wednesday September 27th & Wednesday October 25th (AGM)

An application for the redevelopment of Wimbledon Park Hall has now been submitted to the Council's Planning department

As most residents will know, from the regular updates in the newsletter, the redevelopment of Wimbledon Park Hall has had a rather slow and tortuous journey – which seems to be the nature of these things. However we can now tell you that this exciting new project is entering an important new stage. This is the ideal opportunity for all residents in the community to see the plans for the redevelopment, hear from all those involved, ask questions and express their views.

September 27th

Agenda - PRESENTATION OF PLANS AND DISCUSSION

Present will be:

- Nigel Husband from the Architects, Husband & Carpenter, (representing the developers).
- Steve Clark, Head of Planning and Protection for LBM.
- Chris Mountford, Head of Leisure Operations for LBM.

October 25th

This is the date of the WPRA AGM. The formalities of the AGM will be kept to a minimum and a presentation will follow similar to that on the 27th September and with most of the same people involved.

PS. NEW WEBSITE!!!!!!

A new redesigned website is also being launched at this time and details of the plans and related drawings and sketches will be available on the website. Go to www.wimbledonpark.com. Designed and managed by Clive France of Internetics, we hope this new revised website will fast become THE central information resource for the community of Wimbledon Park.

The plans for the proposed redevelopment and a model will be available for viewing at the new offices of estate agents 'The Home Office', at 130, Arthur road, - after 21st September.
